

## .WESTIE EDUCATION FUNDRAISERS

The following items benefit Westie Education - a segment of our Club which raises funds for the purpose of providing educational information to the general public on Westies. The website is <http://www.WestieEduMi.com>. Westie Education attends various dog functions such as the Novi Pet Expo, and distributes information. They purchase ads in newspapers in hopes of warning the public away from some of the less reputable breeder operations and, in general, try to provide information that will be helpful to all.

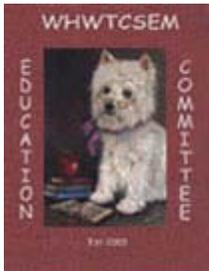

### WESTIE GARDEN FLAGS

We offer more than 2 dozen different Westie Garden Flags. They are a "best seller" because they are so beautiful. Go to the Education Website to see the selection and place your order. (Offerings change throughout the year.) \$16.50 each.

<http://www.westie3.fatcow.com/EDU/fund.htm>

If you have no internet access, call Carole Beaudry 734-455-9239.

### CAFÉ PRESS

<http://www.cafepress.com/westierescue>

Go to the Café Press stores to see items which benefit Westie Education.

(These items are only available through the on line store...we do not maintain any stock.)

## CLUB FUNDRAISERS

See our website for Collars and Leashes and other Westie items. The Club maintains Ebay stores which sell our fundraiser products.

## RESCUE CALENDAR 2011

Each year we put out a Rescue calendar featuring the dogs who were placed in that year. The 2011 calendar features dogs in Rescue in late 2009 and 2010 through October 31. They are the same dogs featured in this newsletter. Again this year, we asked Michelle Bogart to design the calendar. She is a scrapbooking expert and has an eye for the artistic. We think you will enjoy the calendar she has produced as well as the cover which was put together by Jim Beaudry. This calendar will be available early in December from CafePress. <http://www.cafepress.com/westierescue>. Support our efforts and look for this cover:
