

Intact Dogs in Adopter Homes

Policy confirmed July 2014

1. Keep the wording already on the website which includes an exception for those actively showing their dog.
2. The person doing the interview on the application will ask about any intact dogs listed. If they don't meet the criterion they will
 - a. Deny the application on that basis or
 - b. If they feel the reason should be reviewed by the Board before denying, they will bring it to the attention of the board for discussion and vote
3. If the person is denied, the application will not be listed.
4. If the application is accepted, the reason for the lack of altering will be noted on the application and a notation to explain either that it met the criteria or the Board approved an exception
5. This notation will be written on the application before it is uploaded.
