## How our 501c3 impacts you now!

*The following information was provided by our accountant to help you with tax impacts of our 501c3 status.*

*Westie Rescue Michigan Inc. applied for 501c3 tax exempt status in Nov, 2012. We have received confirmation from the IRS that while we are waiting for approval we may operate as a tax exempt organization.*

*Although donors have no assurance that contributions are tax-deductible for federal income tax purposes until the application is approved, contributions made while an application is pending would qualify if the application is approved. However, if the application is disallowed, contributions would not qualify.*

*We suggest you discuss this with your tax preparer so they can assist you in making the decision whether your donation to Westie Rescue Michigan is tax deductible. We will continue to post the current status of our application on our website.*

## You'll meet me in the light

I know that you can't see me,  
but trust me I'm right here.  
Although I'm up in heaven,  
my love for you stays near.

So often I see you crying,  
many times you call my name.  
I want so much to lick your face  
and ease some of your pain.

I wish that I could make you see  
that Heaven indeed is real.  
If you could see me run and play  
how much better you would feel.

But our loving God has promised me  
that when the time is right,  
you'll step out of the darkness and  
meet me in the light.
