"As an all-breed Canine Behaviorist, who has & does work with many rescue groups, I can honestly say that WRMi is one of the "very best" it has been my privilege to be associated with! This remarkable group is comprised of some of the most committed, compassionate, resourceful...and, above all talented individuals."

"I've been involved in WRMi for 14 years: first as an adopter, then as a member of WHWTCSEM, next as a foster mom, and now also as a Board member. I am very proud to be affiliated with this organization and also blessed by fostering and working to help so many Westies in need in Michigan. I believe WRMi holds consistent, high standards regarding surrendering, adoption, and fostering procedures."

*Kate King
WRMi Board Member, Foster Mom, Adopter*

"My Rescue, Winnie, found me. After my first Westie Chelsea passed, I offered to help a WRMi foster home by babysitting their Westie for two days. It was Winnie! I totally fell in love. Winnie rescued me as I had happiness and love once again in my heart."
