CHECKLIST FOR ADOPTERS

_____ Go through the checklist and date each item as they are completed. File the checklist here when complete. Send a copy to the Dog Paperwork Coordinator

HOME CHECK

_____ If you do the home check, prepare, sign and file the home check form here

MICROCHIP FORM (**WE WILL REGISTER THE CHIP, NOT THE ADOPTER!!**)

_____ If your vet provided a microchip form, file that form here. At the time of the adoption, fill out the information for the primary contact, and other information such as "Dog's name" (which may change when adopted), vet information, etc. Leave blank the alternate contact information. That will be Westie Rescue and will be filled in by the Coordinator when the registration is done. If there is no form, talk to the coordinator prior to the adoption to be sure it is handled correctly.

If the vet charges for registration of the chip, have them register the chip to **Westie Rescue Inc., 248-879-2479, www.westierescue@yahoo.com** at the time of implant. When the dog is adopted we will then transfer it. This is usually the situation with a Home Again Chip.

File this paperwork in your binder. It will go to the Dog Paperwork Coordinator when you send the entire binder to her.
